Chief, S/TR

OCI Reading Panel Requirements

1. This memo will serve to advise that this Branch has reviewed and up-dated its COMINT [REDACTED] requirements with the OCI Reading Panel as of this date. The last informal review of S/TR requirements took place on 7 April 1955, and no changes have been effected since that date.

2. With regard to the USCIB query on excessive duplication of code material received in this Branch, the following observation is made. Except through occasional inadvertance, there is no duplication in the Branch receipt of message traffic, reports or preliminary dissemination pertaining to code word intelligence.
